About (ICRTCPLCT-2023)

International-E-Conference on recent trends in chemical science, physical, life sciences and Computer technology (ICRT CPLCT-2023) is a brain storming to furnish on opportunity to academics aspiring scientist and research scholars from various discipline of science to interact and present their research execution in their respective field. This conference will be platform to highlight research achievement in the field of chemical science, physical science, life science and Computer Technology. Recent research trends of stated topics will be discussed in ICRTCPLCT-2023.

Subthemes for ICRTCPLCT-2023

Green Chemistry	Mixed Metal Oxides
Material for electronic devises	Polymer Chemistry
Synthetic Chemistry	Scope of Computer technology
Smart Computers	Artificial intelligence
Cyber Security	Ethical Hacking
Plant Diversity	Medicinal Plants
Bioorganic Chemistry	Sensor
Biodiversity	Agro-tourism
Nano material for future	Semiconductors
Bio fertilizers & organic farming	Environmental Sustainability
Electronic & Magnetic Property	

Publication of Papers in Peer Reviewed Journal

- Research papers will be published in peer reviewed, refereed and indexed journal.
- Contributors will receive DOI number to each paper, Papers indexing, Paper publishing certificate, etc.

Paper Publication Charges

- Paper publication charges Indian Rs. 450/- only for each paper
- Only selected quality and original research papers / articles will be published in PeerReviewed Research Journal.
