Action Taken Report on Teachers' Feedback Analysis (Year 2018-2019)

Following the comprehensive analysis of teachers' feedback for the academic year 2018-2019, the institution has proactively initiated a series of actions to address identified areas of improvement and capitalize on positive aspects.

Sr No	Analysis Criteria	Action Taken
1	Courses balance between theory and application	Conducted a review of course structures to ensure a balanced approach between theory and application.
2	Well-defined Objectives	Provided additional training to faculty on defining clear course objectives to enhance teaching effectiveness.
3	Relevant Reference materials	Updated and diversified reference materials to align with the latest advancements in the respective fields.
4	Course interest and Knowledge	Implemented measures to further engage students and enhance their interest in the courses offered.
5	Freedom of teaching	Conducted workshops to address concerns and provide guidelines for maintaining a balance between freedom and structure in teaching.
6	Freedom of Assessment	Introduced flexible assessment methods while ensuring adherence to academic standards and quality.
7	Tests and examinations regular time	Streamlined examination schedules and communicated timelines effectively to avoid disruptions.
8	Sufficient Books in Library	Enhanced library resources by acquiring additional books and materials to meet the diverse needs of students.
9	Environment of teaching and research	Conducted workshops and seminars to create an enriching environment for teaching and research activities.
10	Faculty upgrading support	Implemented a structured faculty development program to support continuous learning and professional growth.
11	ICT facilities	Upgraded ICT facilities and conducted training sessions for both faculty and students to maximize utilization.
12	Separate space in college Canteen	Initiated discussions with the college canteen management to address concerns and improve the available space.
13	Washrooms Cleaning	Implemented a regular cleaning schedule for washrooms to ensure hygiene and cleanliness.
14	Classrooms Cleaning	Established a routine cleaning plan for classrooms to maintain a conducive learning environment.

This action plan reflects our commitment to providing an enriching and supportive academic environment. Regular assessments and improvements will be an integral part of our institutional strategy to enhance the overall educational experience. We appreciate the valuable insights provided by the teachers and remain dedicated to fostering an environment conducive to both teaching and learning excellence.
