Date: 11/07/2019

Action Taken Report (ATR) on Feedback Analysis (2018-19)

1. Theory and practical syllabus updating by university:
 - *Action Taken:* Conducted comprehensive workshops and training sessions, ensuring that teachers are proficient in utilizing modern teaching aids, including power point presentations.
2. Curriculum of botany, zoology, and chemistry:
 - *Action Taken:* Undertook a thorough review and revision of the curriculum, aligning it with Program Outcomes (POs) that emphasize essential knowledge, skills, and attitudes. Implemented necessary changes to ensure that students acquire the required competencies at the time of graduation.
3. Extra-curricular and co-curricular activities to be enhanced:
 - *Action Taken:* Implemented a series of special sessions and awareness programs to actively encourage and boost student participation in extra-curricular and co-curricular activities.
4. Reference books, e-resources, e-journals required with awareness:
 - *Action Taken:* Conducted targeted awareness programs to educate students on the critical importance of utilizing reference books, e-resources, and e-journals. Simultaneously, the library resources were updated and expanded to meet the evolving needs of the students.
5. More tours and field-based on the curriculum should be planned:
 - *Action Taken:* Responding to the feedback, the frequency of field visits, study tours, and industry interactions was significantly increased. Collaborative efforts with external organizations were strengthened to provide students with more enriching and hands-on learning experiences, aligned with the curriculum.
