Student Feedback: Action Taken Report

Year 2020-21

Date:-15/07/2022

1.4 Action Taken Report (ATR) on Feedback Analysis (2020-2021)

Sr. No.	Suggestion Received online	Action Taken
01	Modern teaching aids, power point presentations, are required	Conducted workshops and training sessions for teachers on the effective use of modern teaching aids, including power point presentations; provided resources and support to ensure teachers are proficient in incorporating these tools in their teaching methods.
02	Level of knowledge, skills, and attitudes at the time of graduation is needed	Reviewed and revised the curriculum to align with desired Program Outcomes (POs) that emphasize knowledge, skills, and attitudes; implemented changes to ensure that students acquire the necessary competencies at the time of graduation.
03	Extra-curricular and co-curricular activities to be enhanced	Organized special sessions and awareness programs to encourage student participation in extra-curricular and co-curricular activities; introduced incentives and recognition for involvement in research projects; collaborated with student bodies to diversify and enhance the range of activities available.
04	Reference books, e-resources, e-journals required with	Conducted workshops and awareness programs to educate students about the importance of using reference books, e-resources, and e-journals; updated and expanded library resources to include more digital materials; facilitated

awareness

access to online databases and journals for students.

05

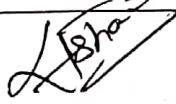

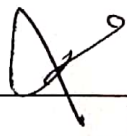

Update of teachers in the latest development needed

Initiated regular communication channels, including newsletters and online platforms, to keep students informed about the latest developments in their respective fields; encouraged faculty to attend workshops, conferences, and training sessions to stay updated on the latest advancements in their subjects.

06

More tours and field-based on curriculum should be planned

Increased the frequency of field visits, study tours, and industry interactions as per the curriculum requirements; sought collaboration with external organizations to provide students with more hands-on learning experiences; developed a structured plan for incorporating relevant tours and field-based activities aligned with the curriculum.
